

Caring Connection

Getting to Know Your Teachers
Family Newsletter September 2016

Welcome to four-year-old Kindergarten! My name is Jamie Czaja and I'll be your child's teacher this year! I graduated from the University of Wisconsin Milwaukee in January 2014 with a bachelor's degree in Early Childhood/Elementary Education. When I was in school, I student taught 4K and a combined class of first through third graders. I have worked in childcare for over 5 years. I also worked at Marian University as a part time preschool/4K teacher. I am excited to continue to work for the Fond du Lac School District as a 4K teacher. As you can see, I have a passion for working with children and I love to watch them learn and grow. I am extremely excited for this school year to begin!

I live here in Fond du Lac, where my husband is a paramedic/firefighter. Nick and I got married in June and moved to a new house! Needless to say, this summer was very busy! I have a 2 year old Golden Retriever named Shadow who is the most affectionate little (I like to pretend he's still little) guy anyone could meet! During my free time I like to spend time outdoors hiking, biking and camping. I also love spending time with my family and friends.

A little information about 4K... each month I will be sending a newsletter electronically. This newsletter will inform you of our weekly themes, leader days and any other information that is important. On each monthly newsletter there will be a calendar with your child's name on a specific date. On this date I ask that you please send a nutritional snack along with your child to share with the class. Your child is also welcome to bring a book to share on his or her leader day. Each month your child will also have the opportunity to bring in a show and tell. This will be listed on the newsletter.

The focus of our 4K program is to introduce your child to many different skills that he or she will need for success in school. Emotional and social development are two of the things we focus on most as well as language development, writing, letters and sounds, science and health. I am very thankful to have two great assistants to help me this year; Amanda (AM) and Adrienne (PM)! Please let me know if you would like to volunteer in your child's classroom. You are always welcome anytime and your help is greatly appreciated!

You can always get in touch with me at school, however if you do need to contact me outside of school my email address is Czajaj@fonddulac.k12.wi.us and my phone number is 920-922-9442 (Camelot). I am looking forward to get to know you and your child!
