

Welcome to the 2 year old room!

There are just a few changes that will be happening while your child is in our room:

You will no longer need to fill out a “daily sheet” as we do not have them. We do still record nap times, which are posted on our bulletin board outside our room. Also, lesson plans and classroom comments will be on the bulletin board. Please take a few moments at drop-off or pickup time to read about our daily events.

If your child needs to eat breakfast, he/she will now eat in the kitchen with Sue, Juliene, or Julie. You can bring any nutritious food item(s) that your child would like to eat, Camelot does provide milk or water to drink. Our kitchen closes at 7:45a.m., so please have your child here by 7:30 if breakfast is needed. If your child eats at home or rides in with breakfast, please refrain from bringing food in with your child at drop-off. It tends to cause problems with the other children.

At lunch and snack times your child will be learning to use a regular cup, not a cup with a cover. Also, our 2 year olds do not use a bib at meal times.

Once you and your child are ready we do start potty training. We will keep you updated on how your child is doing with a “Potty Chart” that goes home each week.

All of our 2 year olds now play on the large play park with lots of new climbers and equipment to explore. During summer months we ask that you either leave a pair of tennis shoes or bring your child in tennis/closed toe shoes daily because of wood chips on play park.

During your child's leader days, your child will have a few special chores they get to do, such as turn the light on/off at clean-up, leading us through hallways, and sitting in our leader chair at circle times. Your child can also bring 1 toy and 1 book on leader days to share with friends at circle time.

A little bit about the teachers in our room;

Julie Goebel has worked here at Camelot since June of 2003. She has worked with a variety of age groups including the 18 month olds, 3 year olds, and school age children and has worked in the young 2's since 2012. Julie and her husband Gary have been married for 16 years and are blessed to have 3 children. Jackson is the oldest, followed by two girls, Kennedy and Kamryn. Julie and Gary live in Brownsville, enjoy watching Jackson, Kennedy, and Kamryn in their various sports and enjoy volleyball, bowling and golfing. The Goebel family thoroughly enjoy watching and cheering on the Packers, Brewers and Badgers!!

Ashley Bodden is a new addition to the Camelot family. She will be starting in the young 2's room in early September.

We very much look forward to teaching your child and helping them learn and grow!
