

Welcome to the Little Jewels Room!

Your child's routine will remain the same. They will continue to eat, drink, and nap on their current schedule. No new changes will occur until your child is ready to start eating snacks (Cheerios, puffs, grahams, etc.) and trying table food. We usually have a snack around 8:30 a.m. and 1:45 p.m., and lunch around 10:45 a.m.

When you give us the okay we will start to offer your child foods from the menu that are approved by you. There will be a menu posted above the sink and you can write in the comment area of their daily sheet what you would like us to offer them. All foods will be age appropriate and we will not offer certain foods such as PB & J sandwiches, scrambled eggs, raw veggies, tuna, etc. We also typically begin to offer them a sippy cup at this time. We provide each child with their own personal sippy cup, no need to bring one from home. Please keep us informed on your child's steps forward with food at home, as we will continue to watch their progress too.

When your child turns 1 they will be added to the snack list, which will be included with your child's monthly newsletter. The newsletter will be put in your child's Parent File located by the cubbies in the hallway. Please remember to check your child's Parent File regularly.

Your child's daily sheet will now be yellow instead of white.

Please be sure to check out our Bulletin Board located outside the room. We post a NEW lesson plan every month. We also post an emergent curriculum sheet with a few activities we did during the day. The lesson plan gives you an overview of what we will be doing and talking about for the month.

We try to go outside twice a day, weather permitting, so please bring along appropriate labeled outerwear (coat, shoes, hat, etc.) for your child.

If you have any questions or concerns, please feel free to talk with us. We look forward to helping your child grow both physically and socially!

Kris and Brittany

Meet The Teachers!

Kris Meyer

I have been employed at Camelot since June 2008.

I have an Associate Degree in Early Childhood from Moraine Park Technical College and many hours of continuing education yearly.

“I believe that children need to be taught in a loving, nurturing environment where they can thrive. Children should feel safe when they come to a childcare center. I also believe when we teach children, we need to focus on the whole child and take into consideration a family’s beliefs.”

In my spare time I enjoy reading, playing piano, going to musicals at the Fox Cities PAC and going to my family’s cottage in Wild Rose, WI.

Brittany Koehler

I have been employed at Camelot since September 2017. I have completed Skills & Strategies for the Childcare Teacher, Fundamentals of Infant and Toddler Care, Intro to Childcare Professions and do many hours of continuing education yearly. I am currently engaged and have a beautiful daughter named Ella. I have two dogs, Toby and Petey, and a cat named Bella.

In my free time, I enjoy doing fill in puzzles, watching movies and doing fun activities with my family. My favorite foods include anything mint, ice cream and watermelon. “I believe that every child is unique and special in their own ways. So they should learn and blossom in their own ways.”
