

Julie and Juliene's July 2021 News and Snacks

We are so excited to be reinstating home baked goods and washed and cut-up fruit back into our Leader Days for snack! If you do bring in a home baked good, please bring in a copy of the recipe for us. As always, your child can bring in a favorite book to read during Circle Time. Thanks!

Just a reminder, the center is closed for the holiday on Monday, July 5. We hope you all enjoy the long weekend and have a safe and HAPPY 4th of July!

With many of our 4/5 obviously having HUGE vocabularies, we are working extremely hard on using our words, instead of screaming or hitting friends. In the classroom, we are focusing on using phrases such as, "I don't like that!" or "Please, stop!" We also encourage our friends to try to solve and work out a problem first before coming to get help from a teacher.
