

Danielle and Kenzie's

April Newsletter

www.camelotchildrenscenter.com

Weather permitting we will be going outside, so please be sure your child has a jacket & a hat. We will be checking boxes for appropriate clothing.

Please let us know if your child will be going to the doctor so we can update your forms
Thank you!

We sadly say goodbye to Deacon as he moves up to B2 with Kris and Kirsten. We would like to welcome Maisy and her family back to the baby room.

This month we are in desperate need of baby wipes. Please bring in **2 packages of wipes** for this month's donation. Thank you!

Giving love to a child is like watering a bloom that will turn into a beautiful flower.
