Parents, please clean out parent files and take home your child's art projects and drawings!

We work with our friends, every day, on using our words with our classmates when we don't like something. We've been seeing a lot of rough hands and/or coming right to the teacher. Simple phrases like "Please stop that" & "I don't like that" are what we try to imply. We've also been working on our hand washing! Lots of bubbles before we rinse! All the help from home is always appreciated!

We said goodbye to Declan in March and we're super excited to welcome Reese into our room this month! Welcome Reese and her family!

**Week of the Young Child is April 8th -12th this year! Keep an eye out for the kids wonderful art work in the front hallway and for fun dress up days that week!**
