Happy Father's Day to your our great Fathers!

Please remember to bring your favorite book only on your leader day.

It is time for busy summer schedules, if a date doesn't work for your child's leader day, please leave a note to another parent and see if they will switch with you. It is hard for us to know every ones days off. Thank you for your understanding.

Goals we will work on with the children:
* Keeping our hands to our self when playing inside the classroom and on the playground.
* Being kind to everyone! We are all friends at school, like a family, and to have fun with everyone at school.
