Monthly Goal

This month we will be working on table manners. At the table we encourage children to sit up in their chair with their tummy to the table. We also practice using words like "please" and "thank you" and using utensils properly. Any help from home is appreciated!

Changes

This month we sadly say goodbye to Noah as he moves up and to Boston and his family as they begin their new adventure. We welcome Mason and Harper to our room.

Donations

This month we are asking for a donation of snacks. All donations are appreciated! Thank you!

Reminders

If your child wears open toed or rubber shoes, please keep a pair of closed toed shoes and socks at their cubby to wear on the playground.
