The center will be closed on Friday, July 3rd for the holiday. Wishing you all a safe and memorable 4th of July!

Happy 4th Birthday to...  
Renlee on the 19th  
and  
Ben on the 22nd!

## Monthly goal

During July, we will be encouraging your child to use their words with friends! While there are times when a child should come to a teacher for help, we are really encouraging all children to tell their friends to, "Please, stop!" when they do not like something or to ask for toys back before coming to get a teacher.

## Welcome...

A big WELCOME to Noah who is moving up from Brianna and Chloe's room!
