Please remember when bringing in snack to check the servings per container/box to make sure there is enough snack for everyone. If you bring 2 different items, there needs to be enough of each item as well. Thank you!

Donations:

If you would like to donate to our classroom, this month we are asking for clear glue bottles. Thank you!

Our goal this month is :
Holding a scissors correctly,
and making consecutive cuts.

We will have having an end of summer party on:

WEDNESDAY, AUGUST 19TH!

There will be a sign up sheet on our door when it gets closer. We will be ordering pizzas!

We sadly say goodbye and good luck to our sweet friend Eli, as he starts his adventure at a new school!
